TO WHOM IT MAY CONCERN

Tiger Consumer Brands Ltd, the largest manufacturer and distributor of food products in South Africa, confirm that we have successfully installed File Director Document and Imaging Software, together with Canon scanners in the following business units:-

- Snacks, Treats and Beverages
- Adcock Ingram Healthcare
- Grains Division including:-
 - Jungle Oats
 - Tastic
 - King Foods
 - Milling

We anticipate implementation to the following business units in the near future:-

- Albany Bakeries
- Culinary
- Sea Harvest
- Enterprise

The total concurrent, web-based users will escalate to an estimated 780 users through out the group in South Africa.

The architecture comprises servers at Regional locations, with replication to an additional secure central server, providing a second level of data availability and security.

The process was adjudicated through tender submissions, and Katlego Solutions (Pty) Ltd assessed to have the national presence, support infrastructure, competency levels and products to implement our Records and Document Management requirements, and were awarded the contract.

We confirm that we are most satisfied with the products and service delivered to date, and will be pleased to answer any questions relating to our Document Imaging System and our association with Katlego Solutions (Pty) Ltd.

Yours faithfully
